

THE **R**USSIAN-**A**MERICAN **L**ONG-TERM **C**ENSUS OF THE **A**RCTIC (**RUSALCA**)

Bering/Chukchi Sea
Expedition
9-24 August 2004
Cruise Report

Cruise Personnel	Citizen	Position	Institution
Hydrographic Liason			
Vladimir Smolin	Russia	State Navigation and Hydrographic Research Institute of the Ministry of Defense of the Russian Federation	
Alexandr Chemin	Russia	Navy Headquarters of the Russian Federation	
Alexander Federov	Russia	State Navigation and Hydrographic Research Institute of the Ministry of Defense of the Russian Federation	
Oversight			
Kathleen Crane	USA	NOAA	Arctic Research Office
Kevin Ray Wood	USA	NOAA	Arctic Research Office
Mikhail Zhdanov	Russia	Group Alliance, Moscow	
News Media			
Jeffery Jones	Canada	Senior Reporter, Reuters Canada Limited	
Benthic Processes- Infauna			
Arianne Balsom-	USA	University of Tennessee	
Boris Sirenko	Russia	Zoological Institute, St. Petersburg.	
Sergei Gageev	Russia	Zoological Institute, St. Petersburg	
Benthic Epifauna			
Katrin Iken	Germany	University of Alaska, Fairbanks	
Bodil Bluhm	Germany	University of Alaska, Fairbanks	
Census of Arctic Zooplankton			
Russell Hopcroft	Canada	University of Alaska, Fairbanks	

Ksenia Kosobokova Russia Shirshov Institution of Oceanology, Moscow

Biodiversity of Adult Fish

David Stein USA NOAA
Catherine Mecklenburg USA Pt. Stephens Research
Boris Sheiko Russia Zoological Institute, St. Petersburg.

Biodiversity and Ecology of Juvenile Fish

Brenda Holladay USA University. of Alaska, Fairbanks

Nutrient and Primary Productivity Studies

Terry Whitledge USA University of Alaska, Fairbanks
Sang. Lee Korea University of Alaska, Fairbanks

CTD and Video Plankton Recorder

Marshall Swartz USA Woods Hole Oceanographic Institution
Mark Dennett USA Woods Hole Oceanographic Institution

Bering Strait- Physical Oceanography-Mooring

Sarah Thornton Canada University. of Alaska, Fairbanks
Igor Lavrenov Russia Arctic and Antarctic Research Institute, St. Petersburg
Alexander Ipatov Russia Arctic and Antarctic Research Institute, St. Petersburg

Microbial reactions and fluxes

Alexander Savvichev Russia Institute. Of Microbiology, Moscow
Igor Rusanov Russia Institute. Of Microbiology, Moscow

Side looking sonar and video

Viacheslav Gladyshev Russia SONIC, VNIIOkeangeologia, St. Petersburg
Boris Smirnov Russia SONIC, VNIIOkeangeologia, St. Petersburg

Paleoceanography

Vitaly Kaulio Russia VNIIOkeanologia, St. Petersburg,

Atmospheric Contaminants

Maxim Ivanov Russia Pacific Oceanological Institute, Vladivostok

Leg 1, Investigation of the Piips Volcano

Data observer

Gillian Lichota Potter Canada NOAA Ocean Exploration, Smithsonian Institution

Hydrothermal Activity

Boris Li Russia Pacific Oceanological Institute, Vladivostok
Anatoly Astakhov Russia Pacific Oceanological Institute, Vladivostok
